**Sponsorship Opportunities---- We Need Your Help!**

We invite you to become a sponsor of this year's Circle of Care and help Family Caregivers all over Manatee County gain encouragement and education so they can continue to care for a dependant loved one. Your sponsorship will not only support a very worthy cause, but your company will also gain valuable exposure to residents in Manatee County through our promotional efforts.

The Annual Circle of Care will be held November 10<sup>th</sup>, 2016. The Manatee County Caregiver Forum committee consists of over 25 community leaders from Senior Service Agencies, all working together to educate and support Manatee County family caregivers.

There are few challenges in life more difficult and rewarding than providing care for a loved one. "The Manatee County Caregiver Forum" has been established to recognize and celebrate the role of caregiver and promote self care through motivational and inspirational speakers, provide education and practical tips in varied areas of care giving and attempt to define services available in Manatee County to the caregiver as we unravel the mysteries surrounding the current web of service delivery.

There are over 12 million Americans providing 8.5 billion hours of unpaid care to frail elderly and those that need supervision or assistance, time valued at \$94 billion. Seventy percent of dependant adults live at home, cared for by family and friends. The largest group of family caregivers is spouses, followed by daughters, daughters-in-law, sons, siblings, and grandchildren.

**You can become one of our treasured sponsors that will help make this event possible by offering help and hope to hundreds of caregivers.**
